History of the College.

CENTRE COLLEGE was chartered by the Legislature of Kentucky in 1819. Jeremiah Chamberlin, D. D., the first President, went into office in 1823. In 1824, the Board of Trustees, according to an arrangement with the Presbyterian Synod of Kentucky, procured an Act of the Legislature modifying its charter, so as to secure to the Synod, on its payment of \$20,000 to the funds of the Institution, the right of appointing the Board of Trustees. This condition having, in 1838, been completely fulfilled on the part of the Synod, all the members of the Board have since that period been appointed by the Synod as their terms of office, from time to time, have expired. One-third of the Board are appointed each year.

Dr. Chamberlin resigned his office in 1826, and the Reverend Gideon Blackburn, D. D., succeeded him in 1827, the office having, in the meantime, been temporarily filled by the Rev. David C. Proctor. On the resignation of Dr. Blackburn, in 1830, John C. Young, D. D., was elected. Dr. Young died in office June 23d, 1837, and, on the 8th of August following, Rev. L. W. Green, D. D., was elected his successor, and entered upon his duties January 1st, 1838. Dr. Green died in office May 26th, 1853, and on the 15th of October following, Rev. Wm. L. Brockinridge, D. D., was elected President. He accepted, the 23d of the same month, and immediately entered upon the duties of his office.

THE FUNDS.

The original amount paid by the Synod to obtain the right of appointing the Board was entirely consumed in the buildings, apparatus, library, and current expenses, and in 1830 the College was wholly destitute of means. Since that period funds have been contributed by the liberality of various individuals, which, as invested by the Board in stocks of various kinds, and notes, form an endowment equivalent to about \$100,000. The funds are annually increasing from legacies and donations. The Synod, at its meeting in Lebanon, 1858, authorized the Board of Trustees to make application to the Churches for the sum of \$50,000, to be appropriated to the erection of additional College buildings, and for other purposes needful for the full equipment of the College.

This sum has been raised by subscription, through the liberality of the friends of the College, within the limits of the Synod of Kentucky. A large part of this fund has been paid in, and but for the unfortunate troubles of our country, a new edifice would have been under way, if not

already completed. A plan for a building has been adopted by the Board of Trustees, and a committee appointed to superintend its erection, who are only waiting until it shall appear to be safe and economical to go forward with their work.

The Library erected by the liberality of D. A. Sayre has been completed and is now in use.

ADMISSION.

Candidates for admission into any Department of the Institution are examined by the Faculty, and placed in the class which they are prepared to enter.

Candidates for admission into any particular class must stand an examination on all the course previously pursued by the class. But students desiring to pursue some special branch of study are permitted to enter any class for which they are found prepared, subject, however, to the direction of the Faculty in the amount of study required—which shall always be equal to that of the regular students.

In all cases the candidate is required to present satisfactory testimonials of his moral character and standing in the institution which he last attended.

RELIGIOUS INSTRUCTION AND DISCIPLINE.

The recitations of each day are opened with the worship of God, in the Chapel, and religious instruction is given, through the study of the Holy Scriptures, to all the classes, on Monday of each week, instead of one of the ordinary recitations. These services, together with the public preaching of the Gospel, all the students are expected to attend—unless specially excused from any of them.

BOARDING AND EXPENSES.

The students do not board and lodge together, but in private families, in which they enjoy the advantages of Christian society, and are thus preserved from many temptations. No fixed rate of Boarding can be stated, there being constant variations, corresponding to the varying prices of provisions. During the current year the prevailing rates were \$6 in the town, and from \$4 to \$8 in the country. This includes room, furniture, and fuel.

Tuition is \$30 per annum, and must be paid semi-annually in advance. Those who enter two months after the session has commenced are charged in proportion to that part of it that may remain.

Young men of limited means, preparing to preach the Gospel—when suitably recommended, pay no tuition fee. The sons of Presbyterian

Ministers, also, are admitted to all the privileges of the College, without charge for tuition.

A contingent fee of \$5 annually for Janitor's hire, fuel in College Rooms, &c., is required of all.

EXAMINATIONS.

There are two public examinations of all the classes—one in the middle of the college year and another at the close—held before a committee of the Synod, and conducted by each professor in his own department. These examinations are either oral or written, or both combined, and are designed to test thoroughly each student's knowledge of the studies of the session.

The final examination of the graduating class is held four weeks before the close of the session, in the presence of a committee of the Synod.

LITERARY SOCIETIES—LIBRARIES.

There are two Literary Societies connected with the College. They hold public exercises on the 23d of February, and on the Wednesday preceding Commencement, each year. The number of volumes in their libraries amounts to about 1,500. The College Library contains over 2,000 volumes.

COMMENCEMENT—VACATIONS.

The session opens on the second Monday of September, and continues, with a recess during the Christmas Holidays, until the last Thursday of June, on which day the Annual Commencement is held.

LOCATION OF THE COLLEGE.

The College is located in Danville, in the center of the State. This town, which is also the seat of the Danville Theological Seminary of the Presbyterian Church, of the State Institution for the education of the Deaf and Dumb, and of two flourishing Female Schools, is easily reached by public conveyances, as well as by private travel, from every part of the country.

PREPARATORY DEPARTMENT.

It is the intention of all concerned in the immediate management of this Institution—while they offer a thorough and liberal course of instruction

in the College classes—to take care that a like School of Primary Instruction be maintained under their general supervision.

* The course of instruction will be strictly adapted to the preparation of young men for the Freshman class in Centre College.

Young men partially prepared for one of the College classes, but needing additional instruction in some special branch, can receive this in the Preparatory Department without any additional charge.
