Mr. J. A. Cheek,

Treasurer, Danville, Ky.

Dear sir:-

	I return enclosed bill for one half year tu-
ition 1902 & 1903	\$25.00
Contingent fee	3.00 \$33.00

For explanation:

Mr. Joe Smith manager of Athletic Assosiation Base Ball Department engaged my son George M. Hall to play base ball, and as I understand had to connect himself with the school to be a member of the base ball department. This schooling as I understand was to be free of charge to my son, otherwise I would not have consented for him to go.

George tells me that he hurt his arm and could not go with Mr. Smith on his trip, but instead came home by the advice and consent of Mr. Smith and the doctor that examined his arm, that if he went on the trip and could not use his arm to pitch he would be a dead expense to Mr. Smith.

Now under these conditions if Mr. Smith thinks that I should pay the bill, let him say so and return the bill to me and I will pay it

J.A. C. No.2

although I do not feel any way responsible for the bill.

J.M. Hall
Yours truly,
