THE FIRST STATE BANK & TRUST CO. 457

CAPITAL STOCK \$300,000.00

WACO, TEXAS, January 26th, 1924.

To the President of Center College,
Danville, Ky.

Dear Sir:-

We understand that Mr. J.M. Kendrick, formerly of this city, is in the employ of your school in the capacity of Assistant Coach. On June 15th, 1922, Mr. Kendrick borrowed from us \$100.00, giving a promissory note for sixty days, which he secured by a Chattel Mortgage on a Ford car. Shortly thereafter he left Waco and we have heard nothing from him and have been unable to locate the car. We have written him repeatedly and have had our Attorney write him but have not received the courtesy of a single response. We feel that possibly if you would bring this matter to Mr. Kendrick's attention, you might possibly make him realize that he is seriously injuring his credit standing by handling this matter in this way. And if it is not inconsistent with your policy, we would like for you to take it up with him and apprise us of the result of your conference in the enclosed stamped envelope.

Assuring you that we regret very much to trouble you with this matter and that we would appreciate such interest as you may see fit to take in it, we remain,

Very respectfully,

J. M. Edmund
Vice-President.
