Dear Doctor

I was rather surprised
to get your letter concerning
the conduct of the Centre
teams in Louisville because
no intimation of any misconduct
had come to me. I asked
members of my staff who
were at the games if any
unpleasant play or conduct
unbecoming Centre were noted
and they said not.

Personally, I did not
feel kindly toward the first
game because I did
not think it should have
been advertised as a
contest for the State Champ-
ionship inasmuch as
Y. M. H. A. had been beaten
by Mackin Council of Y. M. I.,
and a few days after the
Centre game Mackin
again defeated Y. M. H. A.

Incidentally, Kendrick's
method of arranging the
game got my paper
"scooped," which was not
pleasant to me or advantageous
to the Contest.

Any time I can serve
you or Centre I shall
be glad.

Very truly,

Bruce Dudley
