OLD CENTRE bids you welcome. One hundred and sixteen college years, honorable and serviceable years, are looking down upon us. May we as players and as spectators, in this game and in the greater game of life, play the part of good sportsmen, courageous and honest and fair, in ways that are worthy of our glorious past and of our possibilities. Old Centre bids you welcome.

CHARLES J. TURCK, President.

Homecoming Day

TODAY we honor the old grads, those stalwart sons of Centre who have made the college what it is today. Whether you are an old football player or not, everyone of us is glad to welcome you back to the Centre Campus. From the President's office to those

ED. WALKER
Coach Ole Miss.

"janitorial fixtures" John Baker and Windy Crowdles, we are ready to make this day a "day of days". The campus may have changed, as well as the personnel of both student body and faculty, and we know that we cannot replace those fine old characters who once trod the paths that you retrace today. But the spirit of Old Centre is here. You will find it within yourself and those men with whom you were in college. We greet you in the name of Old Centre and bid you a hearty welcome.

We meet today on Cheek Field a time honored institution of the South in Ole Miss. Today there is also a reunion of teams as well as alumni. Not since 1922 have Ole Miss and Centre Colonels met on the same football field. All of the color of the old South and of Kentucky blends today as these two great elevens meet for the first time in many years.

Hail to you, Ole Miss! Hail to you Colonels, we welcome you into the fellowship of Centre's great Alumni Association.

Hit the line hard
 and hit it square
 Play the game
 and play it fair
 Crash right through—
 do or die
 You've got to be good
 to SATISFY.

Western State Teachers Hilltoppers

vs.

Centre Colonels

On December 7, Coach "Swede" Anderson, former Centre grid star, will bring one of the best Hilltopper squads Western State Teachers College has ever sent out on a field. The Hilltoppers so far have had a very successful season, and on December 7 will not be losing any ground when they meet Coach Kubale's Colonels.

The game with the Hilltoppers will be the last college game for several of Centre's men, and they are sure to do their best to give Centre grads and friends a real game. Every Centre student and grad should be on hand to cheer a team at its last game of one of the hardest seasons any college football team ever had.

CENTRE SONGS AND CHEERS

FIGHT SONG

For the Gold and White
 We'll ever fight, fight, fight,
 We'll make those line bucks raise the
 score.
 We'll bite 'em on the elbow, kick 'em on
 the shin,
 Until they want to fight no more.
 On every battlefield, you'll see Olde Cen-
 tre's shield,
 And then you'll know she's doing well.
 So for the team, team, team,
 Keep up the steam, steam, steam,
 Olde Centre, give 'em HELL!

1. Yea, Gold.....Yea, White,
 Yea, Centre.....Fight! Fight! Fight!

2. C-E-N-T-R-E (slowly)
 C-E-N-T-R-E (faster)
 C-E-N-T-R-E (still faster)
 Yea, team, team, team.

3. Team.....fight 1.
 team.....fight 2.
 team.....fight 3.
 team.....fight 4.
 team.....fight. 5.
 team.....fight 6.
 team.....fight 7.
 team.....fight 8.
 team.....fight 9.
 Yea, Colonels, Colonels, Colonels.

4. Yea, team, Yea, team, Yea, team,
 Let's fight!

OLDE CENTRE

(Tune, "Marseillaise")

Olde Centre marches ever on,
 On to victory and to glory,
 Loud cheers ring out, huzzahs resound,
 To proclaim the same old story.
 Ever bold, as of old, guard her honor;
 On the field, never yield; win her fame.

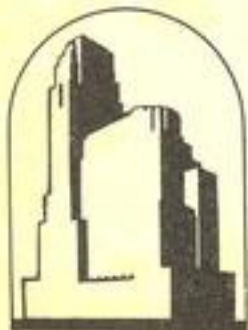

Chorus

For Centre, now be bold,
 The Gold and White unfold.
 Our heads we bare, our pledge renew,
 Old Centre, we'll be true.

CENTRE COLLEGE

FOUNDED 1819

DANVILLE, KENTUCKY

SEPARATE DEPARTMENTS FOR MEN AND WOMEN

FULLY ACCREDITED

Centre College has been educating young people for one hundred and sixteen years. There have been no departures from the two primary purposes of the college. The first is the building of Christian character. The second is a broadly cultural education in the liberal arts and sciences. Both of these principles are accepted by the present administration as correctly defining the attitude of the small college of liberal arts. It aims to develop character. It is cultural and not vocational.

Centre College, in 1935, presents an ideal of education, that for more than a century in countless colleges has given to the nation its finest spirits, and that ought not to be surrendered over night for a purely utilitarian view of school and life.
